Welcome to Father's House!

At Father's House, we are a family that is on mission together to establish the Kingdom of God in Portland as It Is In Heaven; releasing His favor to people, cities, regions and nations. Here at Father's House, we live our church family life in a rhythm that highlights both building a strong sense of family and mission. To facilitate this as a lifestyle, we alternate between a week of focusing on organized "on mission" outreaches and a week that focuses on "in family" small groups. So our mid-week activities, youth and other programs varies to compliment our emphasis.

It is our joy to have you with us today and we hope that you will encounter God's tangible presence, love and goodness. Please take the time to get to know us and for us to get to know you by filling out the enclosed connection card. We encourage you to ask questions, jump in and participate with us. And may you be greatly blessed and we hope to see you again soon.
