Door Host. This host will be station at the main doors to welcome our church family and handing out literature to our regulars (Church bulletins and other materials). This person just welcomes and loves on everyone but in particularly our church family since the other host are focuses on guests.

The Host Responsibilities

- ▶ ALL are to pick up your Host badge from the plastic box under the literature table by **10:00 am.**

▶ *Continued on next column*

Projection

Please arrive at the indicated time on the state on the other side. See Pastor Steve for any special direction. Log in on the computer to PROJECTION profile. Be sure the internet is connected to "PSU Secure" and then open up Proclaim software and open up the file for the service date. Review the order of service and all the slides so you will understand what to show when. See the service agenda to get familiar with the flow.

Steve or Ty will give you an agenda sheet so you will know the other of things. Please go 'LIVE" at 10 AM

Band Tear Down Up

No later then 10 min after church ends: Please grab the carts that carry the equipment and then bring it to the stage.

- Remove all mics from stand and carefully and neatly put them back in the mic case.
- Disconnect the speakers audio and power cables and put the speakers in their cases.
- Put all power cables in the gray bin. Then roll up and place all mic cables in the gray bin
- When disconnecting cables from the audio mixer only disconnect the XLR cables, leave plugged in the ¼ connectors labeled Aux 1 to 6 (there are 6 of them)
- Take all carts back to the Cramer all to the 3rd floor room 380 and place them in their designated spots according the map on the floor.

Sound Operator

Please arrive no later than 9:15 AM and start bringing over the equipment along with the band members. Work with the band for the desired audio mix for the monitors when asked for help. Prioritize this mix first. Then work on creating a great house mix where vocals are clear and each instrument is heard.

You will need to come up to the stage before the speaker starts to speak to turn on the recording on the master iPad.

At the end of the service go to Master iPad, stop the recording, label who spoke, the system automatically dates it. Then save that setting so that it's finalized on the iPad iTunes App. Then assist in tear down.
